8th Aotearoa New Zealand Organisational Psychology and Organisational Behaviour Conference
Friday 29th November 2019, Auckland University of Technology

CALL FOR PAPERS

The 8th Aotearoa New Zealand Organisational Psychology and Organisational Behaviour Conference will take place at **Auckland University of Technology on Friday 29th November 2019**.

The Conference will run on 29th November from **9am for morning tea/coffee and networking**, and then run through to approximately 4:30pm. Exact times will depend on the final programme. Refreshments will be provided throughout, including a full lunch and a wine and cheese networking event at the end of the day.

Intended Participants, Content, and Aims
We welcome practitioners, academics, and postgraduate students working on topics directly in, or related to, organisational/work psychology and organisational behaviour. We would like this event to be inclusive.

The aim of the conference is for organisational / work psychology and organisational behaviour researchers and practitioners to get together and discuss their research. More specifically, the aims of this conference are to:
- Better understand what research other organisational psychology and organisational behaviour researchers / practitioners are conducting;
- Develop a stronger community of organisational psychology and organisational behaviour researchers / practitioners.

A range of papers will be accepted that fit under the term "research", including but not limited to: conceptual papers, empirical studies, and interesting cases.

Abstracts and Peer Review Process
- Please submit your abstract online to:

https://easychair.org/conferences/?conf=anzopob2019

- Follow the format at the end of this document. The deadline is **4pm Friday 27th September**.
- You may appear on more than one abstract (e.g., if you are supervisor to multiple students submitting on different papers), but you may only present once (this is

Est. 2012 in association with

to ensure that we represent a diversity of research).

- If you submit an abstract, you will also be expected to blind peer review two abstracts and provide timely and constructive feedback that can be sent directly to the submitting author(s).
- Your own abstract will be peer-reviewed and reviewers' constructive feedback returned to you.

Timelines

- The deadline for submissions of your abstract is **4pm Friday the 27th September 2019**.
- Abstracts will be sent out for review early the following week.
- Please return your own reviews of other authors' abstracts into the online EasyChair system by **4pm Sunday 10th October**.
- We will return reviewer feedback to you, along with a decision regarding your presentation by Friday **25th October**.
- The conference programme will be developed in late October. Please let us know as soon as possible after acceptance about any travel arrangements we need to fit around (e.g., not scheduling you for any early presentation if you are flying in to Auckland on the day of the conference).
- The conference programme will be available from **18th November 2016**
- *You must register for the conference by Tuesday 12th November 2016*

Costs

The total conference cost is $95 per person including GST; we have made every effort to keep this conference accessible to all by keeping costs down. We believe the conference is great value with high quality and engaging presentations, networking opportunities at morning and afternoon tea, as well as lunch and a wine and cheese function at the end of the day.

Venue

The conference will take place at the Auckland University of Technology in WG 404. A map will be sent to you with confirmation of your registration. The closest car parks are the Civic carpark beneath Aotea square or the Wilson's on Wakefield Street.

Documentation

A pdf collection of abstracts will be made available to all delegates before the conference, either from the EasyChair website or via email.
A schedule of speakers and topics will be provided to delegates on arrival at the conference.

Registration

We are currently finalizing the registration process to try and minimize processing fees. Details will be sent through in the next few months, and will be through AUT's New Zealand Work Research Institute.
