

What makes a successful HRC application

Dr Mary R Hedges

Research Developer

New Zealand Work Research Institute

AUT

**NEW ZEALAND
WORK RESEARCH INSTITUTE**

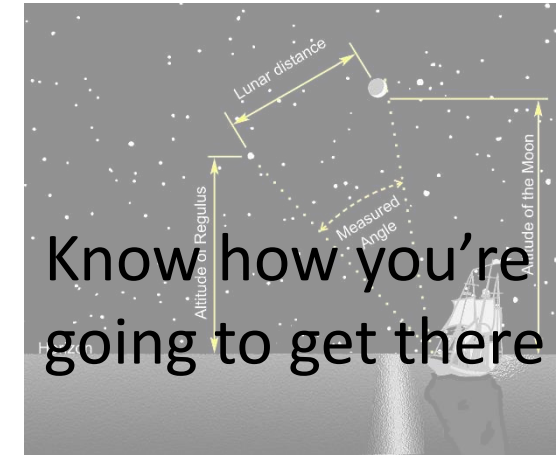

Some starting notes...

Allow plenty of time

Know your target

Know how you're going to get there

Its not only the playing team that matters

Build off other work

EOI & Application Structure

3 then 10 page maximum covering:

- Rationale
- Research Design & Methods
- Research Impact
- Responsiveness to Māori
- Expertise & track record of team

Prepare your response by:

- What is the problem
- What impact will you have on this?
- How will this impact be delivered and through what channels?
- Who will benefit? Māori?
- Who do you need on the team to deliver this?
- Research Design & Methods

Final steps...

- References
- Justifications
- CVs
- Other projects/grants
